

## The 4R's of APCs

More than 30 percent of active physicians are turning 65 within the next decade. The physician shortage isn't going away. How can you best use Advanced Practice Clinicians to fill clinical care gaps in your community?

4 factors to consider when looking at your needs for APCs are:

- **Regulations**
- **Reimbursement**
- **Roles**
- **Receptiveness**

**The 4R's:  
Learn More**

**Quantifying the need for APCs is as much art as science, and Veralon offers both. We can help you update your medical staff plan and optimize use of APCs in your organization.**

*To explore how Veralon can assist you in developing or updating your medical staff plan and making effective use of APCs, contact us now: [info@veralon.com](mailto:info@veralon.com)*
